

Pakistan Institute of Engineering and Applied Sciences

Congratulates

**Commission on Science and Technology for Sustainable
Development in the South (COMSATS)**

on its 14th Anniversary for its achievements in regional programs for socio-economic development

PIEAS

- ▶ Offers interdisciplinary postgraduate programs in engineering and applied sciences since 1967
- ▶ hosts the doctoral research of 89 scholars, mostly sponsored by HEC
- ▶ Has an impressive publication record with more than 1000 publications in reputed journals and conferences
- ▶ Has 130 highly qualified **REGULAR** faculty
- ▶ Offers **Fellowships** in all Academic Programs

Awards and Distinctions

- ▶ 32 PIEAS Graduates decorated with **Civil Awards**
- ▶ **Aizaz-e-Fazeelat** awarded to 3 Faculty Members
- ▶ **HEC Best Teacher Award** to 7 Faculty Members

Programs

PIEAS offers PhD and MS/MSc/MPhil programs in:

- ▶ Nuclear Engineering
- ▶ Systems Engineering
- ▶ Materials Engineering
- ▶ Process Engineering
- ▶ Nuclear Medicine
- ▶ Radiation and Medical Oncology
- ▶ Medical Physics
- ▶ Mechanical Engineering
- ▶ Laser, Plasma and Computational Physics

PIEAS also offers BS program in:

- ▶ Computer and Information Sciences
